RE: Methodology Note in relation to the transparency obligations provided for by the Confindustria Dispositivi Medici (“CDM”) Code of Ethics for year 2022

Corcym S.r.l., in compliance with the transparency obligations set out in the CDM Code of Ethics for year 2022, states the following:

- The data published relates to the categories of transfers of value required by the CDM Code of Ethics made by Corcym S.r.l. or other companies belonging to Corcym Group to:
 - o Healthcare Professionals (as defined in the CDM Code of Ethics) operating in Italy;
 - o Healthcare Organizations and Third Parties (as defined in the CDM Code of Ethics) based in Italy.
- Transfers of value were made in Euro currency, exclusive of VAT.
- The data published is related to transfer of values that have been invoiced in 2022 (accrual accounting principle).
- In compliance with Italian data privacy regulations, Corcym S.r.l. has sought the consent of Healthcare Professionals for the publication of transfers of value. Where consent has not been given, the transfer of value has been published in aggregate form.
